INVESTING IN THE IMPERISHABLE

Dear Family and Friends,

"And I ...am about to come and gather all nations and tongues, and they will come and see my glory." Isaiah 66:18

Luke 9:28-36 was the base of the TRANSFIGURATION SUMMIT 2008. **"BEHOLD HIM... HEAR HIM...OBEY HIM."** These are the basic steps to reaching the summits of God's destinies for our lives.

The 9th International Leaders Summit concluded with breaking bread together, as commanded by the Lord to partake communion when His body comes together. Globally represented by delegates from the countries of Brazil, France, Cameroon, India, Mexico, Nepal, Scotland, Wales, Indonesia, Philippines, Myanmar, Egypt, Canada, Dubai, as well as various states in the U.S.A., there was a gathering of cultural and political and, above all, spiritual insights brought to the summit. The result: forgiveness and reconciliation of one another as they represented their respective nations.

9TH INTERNATIONAL GLOBAL LEADERS SUMMIT, JUNE 2008
CYPRESS, TEXAS USA

We are often asked the question, "Why are you investing your time, your energy and finances...?" Our answer is always, "We do the best we can to obey the last command of Jesus."

- "Go make disciples among the nations..." Matthew 28:19
- "For when he ask for an offering, it is not silver and gold but ... that the nations might become an offering acceptable to God sanctified by the Holy Spirit." Romans 15:16

Thank you for your faithful support in every way through the years. The job for God's people is getting more intense as His coming is getting closer each day and the "... night is coming when no man can work..." and there is no more time to invest in the imperishable which are the nations of the world."

Your Co-laborers,

Jose and Joyce Pascua

Expressions from those who were at “base camp”, looking up to the “Summit”:

“This was my first time to attend the JOSHUA GENERATION INTERNATIONAL LEADERS SUMMIT. I did not have any pre-conceived ideas, but I was expecting great things. Every day it just got better and better and I met the most wonderful people, heard some of the most tremendous stories...by the end of the conference my head was spinning, my heart was full, and I was wondering on my flight home, could all of that really happened? I have been saved for 36 years and have been to a few conferences over the years, but to see brethren dwelling together in unity, no religious nonsense, and no pride and positioning going on was like a breath of fresh air. After telling my friends at home and about the meetings, the one thing that stood out above everyone and everything was...I SAW JESUS...thank you so much...”

*“It has been a blessed time we spent in the presence of God and precious things we have heard, He has done. **I know that God has open a new way to refresh many to go ahead and do the will of God.** Thank you for all your love and for taking care of us during the summit. You have a special call in your lives and God has given you this special anointing to open doors and make other doors open in God’s time. We saw the work of God in the heart of Madam Sujata and surely she will be a blessing for her country to allow God and His Son, the Lord Jesus to be exalted in ruling her nation of Nepal. Thankful for the connections you have permitted to be done among the different ministries. I told Sandrali from Rwanda that I will write President Sarkozy about relationship between France and Rwanda. Please pray for this as this letter can have an impact and allows France to do the first step. Pray for the Holy Spirit to inspire to find the right words...”*

“We would like to let you know how tremendously blessed we were during our visit in Houston, Texas. We believe that the time for ministry for us has come. This is very exciting news for us. Recently we have sought the Lord for directions...the Lord revealed to us that we are called to the nations...we have received confirmations, first a dream where the Lord spoke and said, “you are Joshua’s generation” in the Summit we were astonished that God has brought us around missionaries, ministers and representatives of the nations. The second confirmation was during communion Joyce said to us, “You are Joshua’s’ generation.” The will of God has been very clear to us as never before. We are experiencing, “BEHOLD HIM...HEAR HIM...and now it is up to us to OBEY HIM.”

Victor and Edlene, Brazil

*“Thank you for inviting me to come and glean from such an awesome and inspirational day at the 9th Global Leader Summit. I listened and learned from each beautiful person that shared their hearts and I truly felt like I was among ROYALTY. **Never will I see missions in the same way again.** I am truly touched but more than this, I am stirred to show how much Jesus loves them. Thanks for receiving me just the way Jesus does. I see Him in all of you!”*
