'...NOT BY MIGHT NOR BY POWER, BUT BY MY SPIRIT', SAYS THE LORD OF HOSTS." ZECH. 4:6

Nov/DEC 2008

Dear Family and Friends,

***"Many, O Lord my God, are the wonders you have done. The things you have planned for us no one can recount to you; were I to speak and tell of them, they would be too many to declare."*** Psalms 40:5 NIV

This is our testimony for this year. It has been a year of miracles for many of us in the sense that without God's grace and mercy, none of us would have made it to another day.

We never fail to be in awe at the ways God makes provisions for His vision from the beginning of time, ***"that no man shall perish."*** So many of you dear friends who are linked to the Joshua Generation International Network have experienced how the Lord has led you, guided you where your feet needed to go, and made provision as you journey with Him. You have gone to places you have never dreamed of ever setting your feet in, ministered to heads-of-states, prayed for the sick, and seen the Lord answer prayers.

Many of you lost your jobs and yet He had provided your daily bread through friends and loved ones. God will ***"tax the farthest star"*** if it is necessary, but it is His design that His body heal together, eat together and love together with the love that ties them to eternity. We need each other more than ever before. He created His body for this purpose, that through all of us who are connected to the Head, even Jesus Christ will be joined to each other so His unlimited resources will flow to each parts of His body, down to the smallest toes that carry the whole load.

Our heavenly Father purposed for His children to bridge the chasms and the ravines that mankind encounters in this life. And we are grateful for each one of you dear friends who were willing to be that bridge for us to cross when we faced a day that was difficult to navigate. Your faithful giving to the Lord has sustained the vision to be a catalyst for change in the hearts and lives of individuals and nations.

Jose's feet touched the countries of England, Scotland; he has ministered to leaders in the United Nations. In addition, our son David traveled with Jose for the first time to Cameroon, Gabon, and the United Arab Emirates this year. By doing so, together we have put our investments into these countries. ***They are God's inheritance and they become our offerings to Him.***

***As this year comes to a close, let us join our hearts together and thank the Lord Jesus for bridging that gulf between us and our Father in heaven two thousand years ago. We have eternal hope because of His redeeming grace.***

***During these months of November and December 2008, "let us enter His gates with thanksgiving and praise" for WHO HE IS AND FOR ALL HE HAS DONE!***

***"Though the fig tree does not bud and there are no grapes on the vines, though the olive crops fail and the fields produce no food, though there are no sheep in the pen and no cattle on the stalls, yet will I rejoice in the Lord and in the God of my salvation. The sovereign Lord is my strength, He makes my feet like the feet of the deer, He enables me to go on the heights."*** Habakkuk 3:12-19 NIV

Even if our fig trees don't bear fruit and there are no calves in our stalls (banks accounts are running low and empty) we can thank Him for our salvation, the greatest gift of all. We **MUST CELEBRATE JESUS**, the greatest gift ever offered to mankind, even if this world will no longer celebrate Christmas!

From the depths of our hearts, thank you for traveling with us these many years and thank you for the privilege of traveling side by side with you in this journey to eternity. It won't be long- we will all be home where tears are no longer necessary. We need tears to wash our eyes blinded by sin, which has kept us from beholding the glory of God in all our circumstances.

Thank your for all your faithful support in loving us, praying for us and sending us forth with your financial gifts to the ministry. As you obey and as we do the same, together we can make a difference in this world so full of doubts and fears.

Your friends and co-laborers,

Jose and Joyce Pascua
